

**GREVE-GLOBAL**  
**Office-in-Office**

You have the possibility to get your own office in China with our concept office-in-office. This means that you have a cost-effective alternative to establish your own subsidiary and you will have many advantages:

- minimal risk due to low capital commitment
- no licensing costs
- direct contact to customers and suppliers
- support in hiring suitable employees
- no own personnel and financial accounting
- setting up a workplace.
- Use our modern office infrastructure
- Use our contact network

For further information, please feel free to contact us.

THANK YOU !
